

August 31, 2011

THE NEW SAFE FOR USE SELECT® PVP PRODUCTS ARE **NOT** MANUFACTURED BY TRIAD.

The PVP Scrubs, Prep Solutions, and Swabsticks illustrated below show the recalled PVP products and the new, safe for use, PVP Products.

RE: Recalled Select® PVP Products: Reorder Numbers 126, 128, 130, 132, 133, and 134.

**PVP Prep & Scrub Solution**

EXP & LOT  
Information

EXP & LOT  
Information

**RECALLED SELECT PRODUCT - DO NOT USE/SELL**

**PVP SOLUTION: #126, 128**

**PVP SCRUB: #130, 132**

NOTE: There are 2 artwork variations (shown above)

The PVP Scrubs & Solutions that are affected have no NDC number.

**SAFE SELECT PRODUCT FOR USE/SALE**

**PVP SOLUTION: #035, 036**

**PVP SCRUB: #037, 038**

The PVP Scrubs & Solutions that are unaffected by the recall can be identified by the Lot Number on the front of the bottle on the right hand side and also notates the NDC number on the front of the bottle.

PSS World Medical, Inc. is currently distributing PVP Scrubs & Solutions from a new manufacturer with Lot Numbers that are safe for use and use the following format: **LOT: 111610DT EXP: 201310**

**PVP Swabsticks**

EXP & LOT Information
